“ Alex was not only my Supervisor, but a friend and confidant. I am going to miss some of the conversations on our shared experiences as military veterans and our personal lives. Praying God will continue to 'Shine his light' on the Brock family!!

Alex was a good boss, friend and a part of our extended family. I feel blessed to have had him as a mentor. On his last day in the office he helped me complete some very important paperwork and we had to work on it all day to get it done. That is the kind of person he was going the extra mile no matter what it took. I had a dream of my daddy welcoming him into Heaven which is where he belongs. To his family, I hope God brings you peace during this time.

Alex, a man with a big caring heart for others. A Boss, mentor and friend who was very knowledgeable in anything he shared when conversing. Will be forever missed for being who he was, himself.
