“ On behalf of the IRS SPEC team, please accept my deepest condolences. While I did not have the opportunity to work with Alex personally, his dedication to serving his country and his local community through the VITA program speaks volumes about his character. We are grateful for the time he gave to help others, and our thoughts are with your family and his fellow service members.

“ My son and I met Alex and Tammy when we chaperoned the boys' first grade field trip together. Alex was Ian's first best friend. They played on the Rockies little league baseball team together. We all always had so much fun together. We got to meet up with Alex and Tammy over the years since they moved to Alabama and the boys didnt miss a beat. Ian had just called Alex before he left for Navy bootcamp. I have not told Ian yet as he has 5 more weeks to go. That will be tough news to deliver. I am praying for you Tammy and the rest of Alex's loved ones. I will keep those sweet precious memories forever in my heart. Much love from Julie, John, Isabella, Olivia and Ian Smith
