“ I would like to offer my deepest condolences at the loss of your son. Although I did not know him, he was a friend of my daughter's, Kelley Shaffer. I am praying for all of you during this time of grief. I pray the Lord will comfort you and bring peace into your lives.

“ Everyone talks about how your smile could instantly lighten the mood but what I will always remember you by is your unique sense of humor and sarcastic wit. You were incredibly bright and passionate about your work; something I initially thought was dull, you managed to make interesting. You were always so kind and polite to everyone and for that I thank you. To Armando's family, there are no words that can ease this loss but I want you to know that you raised an amazing person. In his 22 years, Armando had already accomplished more than most and when things didn't workout, he would find another way. I am blessed to have met him, if even for a bit. Heaven is a place nearby, so there's no need to say goodbye. Hold on to your memories, and let them guide you during this time of sadness.
