“ She was my beautiful baby girl. When she was a toddler she hated it when I had to go to work. She would say "Aunt Cat, No Bye Bye! No Bye Bye!". She loved playing with my 2 kids (her little cousins). She always smiled & made sure to give me hugs & kisses every time that she saw me. She was extremely gentle & protective over her baby cousin (my son) that's autistic & nonverbal. She had the most beautiful eyes & contagious laugh. She was always extremely close to my daughter. They even had matching tattoos on their wrist. We're all gonna miss her so much! My heart is shattered over losing her & my daddy. 💔😭
