“ Aunt Barb will be greatly missed, she was such a strong woman who just kept on going regardless of what life dealt her and she was always so supportive of us and was always giving words of encouragement even when she had so many struggles going on in her own life. We loved her very much and are very sad that she is now gone from this life, but will never forget her. Stacey we love you and you obviously have a lot of your mothers strength in you, you have done so much for your mom and still managed to keep it all together. We will continue to pray for you, Mike, Ron and Deanna as well as Clem. I know you all faced some very hard decisions recently but always try to remember that Aunt Barb always said she didn't want to live a life she couldn't actually live, and live fully. She was way too feisty for that and we loved her for it too Mike & Candice
