“ I met Barb in 1977. We met in a college art class. It was almost an instant friendship. We became roommates and constant companions for many years. As time passed and life brings changes we didn't talk as much, but whenever we found a moment to call one another it was like no time had passed at all. It has been 7 months since she left this earthly home. I don't think there has been a day when I didn't think about her or see things that reminded me of her. I miss my friend. My prayers continue for the family. I know if I continue to hurt, your hurt must be there as well. Love to you all, Lisa

“ I am so sorry for your family's loss! I worked with Barbara for several years at La Petite Academy. She was a wonderful person! Although it has been several years since we have seen or talked to each other since I left La Petite, we would send each other a Christmas card every year to keep in touch. I will miss sending those cards to a dear friend. Much love to you all!

“ I had the privilege of first meeting Barbara over 30 years ago when I was serving my LDS mission in Alabama. She was truly a kind, beautiful, and wise young woman then and continued to be throughout her life. It was my honor to know her and call her a friend. I know that she is now with our Heavenly Father, and her family, and that we will definitely be reunited with her again. We have lost a wonderful person on this earth, but Heaven has gained another angel that will be watching over and routing for us all. My condolences to all of her family at this difficult time. You will be in my thoughts and prayers.
