“ Not long after I was raised to the sublime degree of Master Mason, me and Bobby were appointed stewards at Rising Sun 29. I really didnt know who Bobby was until he called me and said ""Brother Gay, I don't know how to boil water"". I told him, ""I will handle the cooking, if you will handle everything else"". I could not ask for any better help. Brother Bobby was always there. He was always the biggest help that anyone could ask for. I got to know him well. He told me that after becoming a master Mason, he stayed on the road alot, which is usually a prerequisite for a welder of his calibre. But, since he was retired, he was ready to be back in lodge, and do whatever he could do. He had a great love for the Crimson Tide, and was very proud of his family, especially his son Brian. Bobby always had a cheerful demeanor, and was always so ready to help whenever he could. Personally, I think alot of his willingness to help the lodge was due to being away for so many years. I got so used to seeing him every week. I looked forward to seeing him when I would arrive at lodge to heat up what I pre cooked. He would always be there before me, making tea, coffee, and just doing whatever was asked. We always had good conversation. He was one of the people I looked forward to seeing every Monday. But, without saying, life prevails. I'm going to miss him. Such a gentle soul. I am blessed to have known him, and I look forward to talking to him again. Farewell My Brother....William Pittman Gay II, Past Master, Rising Sun 29 Free and Accepted Masons, Decatur Alabama.
