A Bird in the Mist

“At times like this,

We may look through books for the perfect words

To give form to our feelings,

Make the thing complete,

Set the matter at rest.

Yet, in hours of searching,

Each piece lies rejected-too precise, too difficult, too sweet,

Too harsh, implying what we do not wish to say.

But, look into the grey wide sky,

And the thoughts will come like this:

Remember me when I loved you most and you loved me most.

Remember me when I was my bravest and I did you right.

Then, let that be our secret bond

And, let us rise in the morning and enjoy the light

And know that the bird in the mist is returning to the sun.” \*\*\*Anonymous
