“ My Deepest condolence to the Parker family on our lost. Bryan was my Mentor and friend, he never failed to tell it like it was and I respected him for that. Me and another new engineer got thrown "" under the bus "" when things went wrong at work so often that Brian nicknamed me Lion Bit and my friend "" Tiger Bit "". His mentorship will continue to guard us. May the Good old Lord strengthen us all in this time of lost, especially Brian's wife, kids and other family members.
