“Mr Grimes was a precious Godly man, and it was such an honor to be able to care for him. He told me so many stories of the miracles that Jesus had done in his life. He always kept a smile. Even when he was in pain; and always had an encouraging word for others. The morning of his first surgery he asked me to pray with him. When I finished praying for him, to my surprise, he began to pray for me that the Lord would bless and keep me. That is just the type of man that Mr Grimes was. Even with all the things he was dealing with physically. He still wanted to take the time to pray for me. I have no doubt in my mind that when he opened his eyes in Heaven, he heard Jesus say, “well done my good and faithful servant.” I only knew him for a short time, but he truly showed the love of Jesus.
