“ Although I am just now posting here, Jean's family has been in my thoughts & prayers. I've been away from Decatur for almost 40 years, but I still remember the Sanders home being there so near to the church. Jean was a beautiful lady & I remember 'Red', too .. no wonder both of you girls are so pretty :) May God continue to keep his arms around all of you, giving the comfort that only He can give. “ I am the youngest daughter of Raymond & Elree Pierce. My mother ""Elree"" was a first cousin to Laurice Curry (Jean's sister). I was around Jean at different times throughout my childhood, though brief, she was a lovely lady and looked so much like her sister Laurice. My thoughts and prayers are with her family during this difficult time.

“ I moved away from Alabama when I was 10 years old and only saw Aunt Jean very rarely during our return trips back to Tuscaloosa (and Decatur). I know that Roy and Grace (my grandparents) kept her in the loop about her nephew Dwain (my dad) and his children (my brother Chris and me). Aunt Jean was always sweet to remember her extended family all the way out in Arizona. She sent me a wedding card and present when I was married in 2005 and sent my son, Carter, a gift when he was born (2008). I will always remember how kind and generous Aunt Jean was. She will be missed. My thoughts are with all of her friends and family there in Alabama. Love, Lindsey (Lamon) Greene
