“ *The world got a little bit darker with Craig's passing. He had such a beautiful soul. His contagious smile would light up a room. The funny thing about Craig was no matter how bad a situation was he was always there to support you with the biggest hug and brightest smile you could imagine. He had to fight his whole life for the happiness he found at the end of his life. I find comfort in know he got that happily ever after he always wanted. He will be missed dearly!! With all my love, Sierra Rinehard Hamner P.S Please keep his wife Jessica in your prayers. I cannot imagine how much she misses him...*
