“ It saddens me to hear this news. Although I have not seen Danny in years, I remember him as a good friend. He was always a very easy going, kind person who cared about other people. We spent many an evening at the Gaus house with Shari, Kathy, and Cynthia, enjoying each other's company. I remember the little car (Renault?) he had. Once we drove it late at night on the sidewalk around Gateway shopping Center. We were lucky the police were otherwise engaged. Our teenage memories together will always mean a lot me. I'm so sorry, Shari. God be with you. Byron Owens
