“ *Your prayers are much appreciated. I still feel like this cannot be true. That my Dad's smiling face won't be in the house when I walk in or his voice will not be on the other end of the phone when I answer. I was blessed with an amazing father and I am so thankful for that but I was not ready to let him go. I know the love I have for him will never go away but I pray it gets easier dealing with losing him. I will see him again.* ”
