“ David was unique...in many ways , very intelligent., soft spoken and a great observer of people .I used to tease him at many loud Yarbrough gatherings.David would sit or stand with those ever present sun glasses and observe all and everything around him. He and sonja raised three exceptional children of which I credit both of them. Loved by many ..he will definitely be missed by many . Love and prayers for Sonja,Logan, Connor , and beautiful Peyton. Love you David ..you are missed.

“ *Tho some would say we were mere co-workers, Dave and I considered each other as friends. I'm glad to have gotten to spend 12 years working with him and even longer as friends. He was a man of many talents and would go out of his way to help you if he could. I will miss my friend dearly as will many who know him. Our loss is heaven's gain. My deepest condolences go out to Sonja, Logan, Conner, Peyton, his dad, and all his brothers/sisters and in-laws.*
