“ Elizabeth & Jim ... my heart and prayers are with you now and in the days and months to come as you learn life without your precious mom. I haven't seen her for a while, but have thought of her often, and have pleasant memories. My mother was my best friend, and I still miss her tremendously ... thus I can truly emphasize your broken heart at her passing, while at the same time your joy that she suffers no more and is welcomed to Heaven to live forever with God and family who have gone before. I pray that God will pull you close to His breast and breathe peace, strength, courage, and comfort into your entire being as only He can. Love you my cousins, Karen Curtis

“ I was so saddened to hear about Delores. We first met when I became a neighbor to Mr. & Mrs. Nicholson on Weinman Rd in Hartselle (loved those two also!). The few times I ran into her she was always so friendly. I loved talking to her. Please know you all are in my thoughts and prayers.
