“ *The Holcombe Family, I worked with Diane at IP and she was always a joy to be around. I met her in 1980 when I was called out there as a temp to fill in for her as the plant manager's secretary. Diane had broken her arm. We hit it off right away. In later years we began chairing the United Way Kickoff and spent countless hours planning that every year and going down there during the campaign to feed BBQ to the midnight shift. We had lots of fun together over the years. She was a warm and giving person and I will miss her. I am so sorry for your loss. She spoke of her family often and never missed an opportunity to be with them. May your days be filled with good memories of Diane and the person she was. She would not want you to grieve, but celebrate her life.*
