“ *What a beauty Dolores was inside and out! Petite and feisty she was the last one standing from Duke & Shaw of Pecos Texas, and was my first friend there. Most of my memories of Dolores are from long ago, but I've had a special place in my heart for Dolores since she and cousin Walter arrived at the same time as my family and I in 1960. It was summertime and HOT and boring . Dolores took pity on me and invited me to come learn and play board games and to have some iced tea or lemonade. I was in awe of the 8x10 black and white photo of her in her evening dress and tiara with a sash proclaiming her Miss Department of Agriculture. Although our lives would diverge over the years, we stayed loosely in touch until my last visit with her less than 2 years ago. Trish Shaw*
