“ So sorry to hear about Donal's passing. It's been a long time since I have seen Donal although I did speak to him on the phone at mother's. Mother worried about him and wished that she could see him again, but it was not to be. Please accept our heart felt condolences. May you find comfort and peace. God bless each and everyone of you.

“ *Life Is But A Stopping Place*Life is but a stopping place,A pause in what's to be,A resting place along the road,to sweet eternity.We all have different journeys. Different paths along the way,We all were meant to learn some things,but never meant to stay... Our destination is a place,Far greater than we know.For some the journey's quicker,For some the journey's slow.And when the journey finally ends,We'll claim a great reward,And find an everlasting peace,Together with the lord- Author unknown
