“ I have know Don since grad school at the Mizzou, Columbia Mo. We were roommates one year. He was a very friendly and true friend. We have kept our correspondence and exchange of Christmas Cards since 1962 to date. I will miss him very much , specially our telephone conversations about various subjects including politics and technical pertaining to Poultry Industries. He visited us twice in Charlotte, NC and we visited him once in Alabama. He was always happy and upbeat about life and I enjoyed my long association with him greatly. May he REST IN PEACE. Gopal K.
