“ I have just learned, of your passing. I am deeply saddened to learn that. You are and were. Family and like a true sister. And friend. I have known you for over 40 years. And I was blessed to have you. Many years of wonderful memories. I know you are at peace. In hevean, with your husband. But I am, and will miss you so much. Praying for her daughter Elizabeth. And family, God bless all. Until we meet again.

“ I just saw Mom the Friday before she passed... a surprise visit. One of the best visits we ever had and I'm so thankful for it. I talked to her multiple times a day most days and I can't even begin to guess how deep a void is going to set in over the next months. She wasn't just my mom... she was my best friend. And I feel so lost without her. Will be posting stories and photos as I think of more and find more to share. She hated pictures so don't look for a whole lot of those.
