“ My condolences to Mr. Kennedys family and friends. When I did not hear from him over Christmas, I reached out to see how he was and heard he passed in October. Mr. Kennedy was my boss at one time and a friend for almost 20 years. He was a good man and I learned a lot from him over the years on the Arsenal. Again, my condolences, rest in peace, See you again someday, Sincerely Michael Harrington

“ *Rest In Peace, dear cousin. Last Christmas, I was thrilled to have reconnected with you, after so many years. I'll forever remember our very long phone call earlier in the year, and just catching up on each other's lives. You're now reunited with your parents, and no longer in pain. You've started a new journey.* ❤️🙏
