“ I don't know quite what to say. First and or most Dora Lee who I referred to as ""Grand momma"" was a blessing to me and I loved her with all that I have in me. I am blessed to have had the time I had with her she might have not been blood but she was and always will be family and my Grandmother. My heart is hurting and in pain. I have comfort in knowing she is with the ones she loved and missed dearly. I know I will see her again one day. I am so sorry for the family's loss and I pray for comfort thru this hard time which I know is very hard I pray for healing for all. Sorry I wasn't there. I would have been if I would have known. I miss u so much Grand momma and Love u more than words can say. Our memories together and u I will always cherish and hold dear and close to my heart. R.I.P Grand momma. Thinking of you all and praying, Always Stephanie
