“ *Dear Alton and family, I'm sorry for your loss. Dot was a unique individual. She was one of a kind as we all are. I wish I had visited her more often while she was sick. She set out to grasp the concept of her art and did it very well. When she wanted to learn something she said it might take her a couple of workshops to get it but she persevered. She was also generous with her knowledge of art to help us that hadn't quite got it yet. I will miss her. Janie Koch*
