“ Doug has been a lifelong friend. Doug has always been there when you needed him. Once year's ago I had no place to stay. Doug opened his doors for me till I was able to get on my feet. If he needed me all he had to do was call. i hate I just yesterday found out about his death. I didn't make it to his funeral. I knew was a few years older than me. One thing he never told me about was being in the navy. He knew I was in the army I guess it never came up. I know I'm already missing him in my life. Over 44 year's of a friendship now he's gone. Now it looks like I'm the last one standing of the childhood friends. God bless y'all an cherish the memories of Doug.
