“Katy, Your Dad was so encouraging. He would sometimes give me a hug, or a piece of gum or candy when I greeted at the door at church. He will be missed by all, but we know he is pain free, and happy with His Jesus.

“ So sorry to hear about Bro. Hill. He was an awesome man of God remembered for his character and his smile. He was a stable mentor to me and my girls when we were going through some difficult times in our lives. I can remember him saying to me, ""Now, Miss Carolyn"". But I can't remember what he would say after that. He always had a hug and would kiss me on my forehead. Love you, Miss Margie.
