“ *Years ago Ernie told me he wanted to quit the choir because he thought he couldn't sing. I assured him that if he felt God had called him to be in the choir, he would feel guilty if he didn't. I also told him by the time his singing got to God's throne it sounded like a choir of angels anyway. It was truly an honor sharing the top row with that crazy LSU fan. Please go to LifeSouth and get a ""badge"", which was Ernie's name for a circular band aid. One day in a perfect future we'll get the band back together. Luv ya brother!*
