“ I want to express how sorry I cannot make the funeral. Your mother was loved by all and was one of the sweetest and caring person I know. Her love was carried thru out the world. She always wanted to give of her time and money for others. Please know that she will be missed by many. My prayer for you and Amelia is that God knows your hurt and I ask him to help you two thru this sad time. Of course, your mother would not want you to cry over her--but I know you will. I Love you both. Lynda Dover
