“ Mrs. Harville, we just wanted to express our deepest sympathy for Mr. Harville's passing. We know he is in a beautiful place now, with no pain, nevertheless it is so painful to lose someone you love. I hope you find peace in God's word. You will see him again. Take care of yourself.

“ Donna and family, I was shocked when I saw in the paper this morning that your Dad has died. I know that you and your family are all saddened at his passing because your family has always been so close. I pray that comfort and peace will be with all of you as you go through the visitation, service, and the days to come. Prayer is what gets us through all of our hard times and I know that I will be lifting you up as I know many others will. Blessings to you and your family. With love, Jerry Thomas
