“ Having gone though times of sorrow with the deaths of our own loved ones, we wish to express our sincere empathy at Gary's passing. In difficult times, it is reassuring to have a loving God to lean upon and the Promise of Jesus Who said He would not leave us comfortless but would sent Another Comforter, The Holy Spirit, to comfort and to guide us in all truth. It is our prayer that each member of the family will experience the power of His grace now and in the days that lie ahead.
