“ *This message is long overdue and for that I apologize. It was my joy to work with Gayle in preschool when she served as our Director of Preschool Ministries at FBC Clarksville. She loved our children and their families. I was saddened to hear of her death. I rejoice that she is with her Savior. May each of you members of her family know that many children and adults were blessed because we knew her. Love and prayers to each of you. Estelle Alexander Clarksville , TN.*

“ *I am so sorry for your loss, I was in total shock when I heard the news. I worked with Gayle at Lifeway in the Huntsville store, and enjoyed being around her. I talked with Gayle several times since I retired and had lunch with her. We always had a great time together. Gayle loved to laugh, she was a very passionate and caring,tender hearted person. She will be greatly missed. As much as I will miss talking to her, I would not ask her to leave the Throne Room where her Lord is for anything. She is basking in the presence of her Lord. May God wrap His loving arms around each one of you and give you peace. Nancy Rush*

“ My sympathies to Gayle's family. I worked with Gayle at LifeWay Christian Store in Huntsville, AL. She truly loved to serve others and took great joy in helping the many patrons of our store. To exalt and serve Christ was at her very core. She loved to cook and we enjoyed the many dishes and treats that she made. I loved her and enjoyed our time together as friends. While we worked together (and after she left the store), we enjoyed dining out. Unfortunately, our last plans fell through and we haven't seen each other for a few months. She was on my heart last week and I determined to call and set up a dinner date. I regret that I did not go ahead and call. I just want you to all to know that she will be missed by many of us whose lives she blessed. What great joy she experiencing now! What a wonderful family reunion! I will see you again, my friend. I love you!
