“ Geary was my workmate, camping and mountain bike buddy and band mate with Bluesvision and Crosscut. I met him the day I started work at MICOM. A lot of good times and great memories. He could razz you with the best of them and watch out if you let your guard down. Condolences and prayers for the Tucker family. I'll miss you brother. Steve Nelson

Geary was my boyfriend in highschooler. He was the sweetest guy, played football for Austin High School. I tried to connect with him on fakebook when I moved back to Decatur but couldn't connect.
