“ Evelyn & Tina,I have many good memories of Gene at 3M. He was one of the first friends I made when I started to work there, and I can just see that smile he always had. He and Bill Lewis were quiet a pair! I can just see them now! I haven't seen Gene in years and we lost Bill over two years ago. He was my first cousin and I miss him terribly. We could sit, talk and laugh about times at 3M for hours! Don also thought a lot of Gene. Please know your family are in our thoughts and prayers.
