“ *My Dad !!! Well I can tell you that Man was one of the greatest.. most selfless hardworking dedicated and handsome that ever lived!!! He taught me to work hard for what you want and always pay what you owe back to the exact penny if you owe an individual. Many times we would pick up his groceries for him he would always ask for receipt so he could make sure we received it back to the penny !!!! We have grieved for Mom together for over 2 years and he prayed to God to take him I would say Dad when it's our time we will!!!! He didn't like that thought .. even tho I'm overwhelmed in grief I want to say that "Mom and Dad are together once again forever and Dad you can rest easy now with no stress and pain Love you forever will see you again fine day Your loving daughter Donna*
