“ If possible, could you tell me what happened? Several of us from State Farm loved her so much. Thanks, Mary Mayfield Boster

“ To Helen's family, my condolences to all. I worked with Helen for several years at State Farm. She was always willing to help and we continued our friendship after she retired. I talked with Helen several weeks ago and she was the same sweet person I had worked with. There was history in my family that Helen was a part of. Please let Kirk know that she was very well thought of. At that time, she was losing her eyesight. I will miss her, but she is free of pain and living in Heaven now. Please let me know if there is anything I can do. She was so proud of her grandchildren and talked about what they doing. Praying for all of you.
