“ *Such a very special lady. I will always remember her kindness and patience with a young teen who was just learning to sew. Our paths have crossed many times in my adults years and she was such a treasure. She gave so much of herself to so many. Our community suffered a great loss with her passing. My thoughts and prayers are with her family.*

“ *Please except my sympathy. Hilda was very special to me while we were Grand Officers together in Eastern Star. I lost touch with her as my Xmas cards were returned. I saw the post on Facebook of her death this morning, not giving me enough time to get condolences or flowers ordered. Please accept my apologies. She will forever be remembered in my heart. Prayers for her family. Donna Wilhelm McGee*
