“ You have my deepest sympathies with the loss of my friend. I worked with Jim and collected toy trains with him for many years when he was at 3M in Cordova. We were in contact regularly and I will miss talking with him. Jim was a good friend and boss who I had many good times with and who I will miss greatly.

“ *Jim was one of my favorite classmates at Tanner. I had the highest respect for him. Since he was the youngest in our class, I teased him for being so smart. I was extremely saddened to learn of his passing. He will be missed at our class reunions. Please accept my deepest sympathy.*
