“ *Shannon, I am deeply sorry to hear of the loss of your father. I know what a great loss that is, for I too have lost my father (10 years ago) and can say with experience, it is a deep and sad time. But, I can also say that without God, I don't believe that I could have handled it. He gave me peace and assurance that my Dad was with Him and much better off. I pray that God will give you and your family that same peace and assurance. May God strengthen you in this difficult time. But one personal advice I must give you, is, allow yourself to grieve. Contrary to others belief, grieving IS part of the healing process. Love you man and let me know if I can help you in any way. Sincerely; Ron Dale Finger*
