“ Jennifer was an incredibly sweet and patient lady. We hosted a Sunday school dinner once and she and James were able to come because we had built a ramp for entering our house. I was so glad we had done that and they could join us! I did not realize her dad was Mr. Lorance, who for years repaired air conditioning and refrigeration units at our house and the Decatur movie theatres that my dad managed. He greatly respected Mr. Lorance who always seemed to be able to fix the old equipment!
