“ JD...made the Browns Ferry days of old worth remembering with smile-filled happy days as his wit and intellect taught us all how to make the nuclear world work for Friends and Families as he was an integral part of the TVA success...and a good Buddy to us all! I will miss the big tall guy knowing that he will not be here to make his "maddock" jokes on his nuke buddy!

JD I would say was one of a kind, I mean in a good way. He was a joy to be around.
