“ Jewell and John were our neighbors 2 doors up on Eastwood Dr. in Decatur for many years. John built our house in 1977. We really missed them when they move to Park Place. I'm so glad that Jewell got to spend her last years close to her children. She was a sweet and lovely lady

“ *Jewell was my grams. She wasn't your typical grandmother, she loved fashion and decor. She enjoyed having fun, playing dominos and watching sports with her boys. She took care in having your favorite snacks and drinks in the house but was never Julia child in the kitchen. She taught me that you could love beautiful things and love Jesus. That God gave us style and He cares about the things we love. She introduced me the Monkeys and what it meant to love what your boys love golf and basketball (Phil Mickelson). She loved her friends fiercely and cared for her husband deeply. I will miss her opinions about all things and her love of junk food (secretly). I will miss her dearly and I am so glad she is with Jesus now.*
