“ *True Story.*

When Hubert taught Evelyn to drive. The main instruction was to not stop or swerve to miss an animal. One of the local folks was out hunting that day and their dog ran in front of the car. Evelyn just ran over it. Hubert said why did u do that. She said “ i did what you said, don’t try to swerve or stop “. Hubert said. “But Evelyn, you were only going 5 miles an hour”. Happy ending. The dog survived and ran off into the woods One of Larrys memories.
