“ My husband and I would like to express our sincere sympathy to the family and friends of your beloved Jo. Although we never had the opportunity to meet Jo personally we wanted to share with you comfort from Gods word found in John 5:28,29. Here we are given the wonderful hope of the ressurection of our dear loved ones here on earth just as Lazarus was in John 11. Have comfort in knowing that our Heavenly Father expresses his compassion for us when someone we live dies. (Psalm 34:28) share your memories with those who surround you, for memories shared are memories cherished. May they bring you peace and joy as your hearts begin to heal. Take care of yourselves and each other during this very difficult time.
