“ *My Daddy is missed more than words will ever explain. It still doesn't seem real... He was without a doubt the most wonderful man I have ever had the pleasure of knowing; with a smile that was so contagious, and laugh to match. He was absolutely amazing. His heart was big enough to love everyone, even when they did him wrong. I always admired that about him, even when it got him into trouble. My Daddy was, and always will be, my number one best friend. He may not be here with me physically, but his love and his memory will always live on in my heart.*
