“ Where do I begin? You were my cousin/ big brother/roommate/ best friend. I have so many first I shared with Joe. Taught me how to shoot pool, break dance, arcades, use to walk for hous just to fish. It's still hard for me to believe. I wish we could have been closer, but the miles between us made us distant. I still always carried much love for you. I hate that I won't get a chance to see you again. RIP Joe. You will always be in my heart and memories.
