“ Dear all loved ones, near and far, family and friends, I want to thank you all for being a part of our lives and we have been so fortunate and blessed by each of you. This happened so suddenly, and I was so grief stricken by the sudden loss, we had to move quickly, and I was such an emotional wreck I was unable to physically call each of you. Just know we hope this reaches all who are able to and desire to attend the funeral today. Thank you for your support, love, and prayers. ~ Rhonda
