“ Jim, I am so sorry to hear about Judy. We will always and forever miss her. We were in the same class & had a lot of memories about the band and all the wonderful things young people get to experience. I am so glad she had such a nice man in her life.

“ We saw this at Bruce's parents funeral and thought you might appreciate it. A MATTER OF PERSPECTIVE ""I am standing on the seashore. A ship spreads her sails to the morning breeze and starts for the ocean. I stand watching her until she fades on the horizon, and someone at my side says, 'She is gone.'"" ""Gone where? The loss of sight is in me, not in her. Just at the moment when someone says, 'She is gone.' There are others who are watching for her coming. Other's voices take up the glad shout, 'Here she comes!'."" ""And that is dying."" Psalm 116:15 Precious in the sight of the LORD is the death of his saints.

“ So sorry to hear about your loss. Judy was so much fun to be around and always the life of the party or wherever she was. She could talk to anyone and never met a stranger. She loved you and her family so much. That's all she was ever talking about was how proud she was of all of you and how happy y'all made her. My thoughts and prayers are with you and your family at this time. Judy will be greatly missed!
