FH

“ Judy was my best friend for 40 years. We shared so many life events together. I'm so very thankful for the time that we had together, although it's never enough when it ends. She loved outdoors, planting a garden, flowers. She loved her little dog. She was a wonderful cook and loved to share with her neighbors. But most of all she was so proud of her children Amy and Patrick. She loved being a grandmother to Michael and Will, and great grandmother to Weston. She has left us all with sweet memories as well as more sadness that is almost unbearable. However. I know she loved God and that she is with him now. And there is no doubt that we will see her again. Judy touched so many lives and was loved by all of us that had the honor of knowing her. Flora Holland
