

## Kathy Ellen England

May 12, 1950 - January 17, 2021

Kathy Ellen (Hensley) England, age 70, of Trinity, Alabama, was called home to our Eternal Savior on Sunday 1/17/2021, surrounded by her family, after a catastrophic stroke.

Kathy went ahead of her husband, James B. England, her son, Todd England, son, Jayson England (Angela), daughter, Jessica Woodard (John), and her grandchildren, Cam England, Coen England, Watts England, Bailee Saunders, Molly Saunders, Caleb Woodard, and Kaitlyn Woodard. Also her siblings, Diane Varner, Gary Hensley, and Gwynne Thompson, and many nephews and nieces. She also left her beloved dogs, Tucker and Jack.

Kathy was preceded in death by her parents, Charles W. Hensley and Delores I. Hensley.

Kathy loved her family, often doing more for others than ever doing for herself. She enjoyed the hummingbirds when they came in, and kept most of them fed within a twenty-mile radius. She enjoyed country music, getting the "good tomatoes" from the gas station, watching scary movies, reading good books, and dogs. Oh, the dogs. She would have had 50 if she could have figured out where to put them.

Kathy is a treasure to us all. We love her immeasurably and look forward to

seeing her when we meet again...

The family would like to thank the doctors, nurses and support staff at Crestwood Medical Center in Huntsville, Alabama for their wonderful care of Kathy while she was there. They went above and beyond for her and for her family. The last few days the family had with her were made better by the doctors', nurses' and support staffs' kindness and heartfelt care. We can't thank you enough.

The family will host a private memorial service.

“ *My memories of Kathy go back to over 50 years in High School at Danville. Kathy was always upbeat and friendly, and I considered her as a friend. Would have good times talking to her and Linda Warren. So sorry to hear about her passing.*
