“ I am having trouble find the words to write.... She has been gone a week but I still cannot believe it. I have wanted to call her so many times this week. She loved to help others and spend time with her family. Christmas was her favorite holiday. She loved White Christmas. She will be greatly missed by so many. I wish she could have made it to see her grand children grow up. But I am so thankful they have her watching over them.

Kim had the biggest heart & she tried to take care of everybody. I knew her almost 30 years & we had some wonderful times. She was a loving mother & grandmother & she loved you dearly. May God bless her family. Kim had the biggest heart & she tried to take care of everybody. I knew her almost 30 years & we had some wonderful times. “ *Kim is my cousin. But more like a friend and sister. We did many things together, mostly to help my brother Dennis, but we had fun. Kim spent her whole life helping others. She was the best person I ever knew. Her daughters and grandkids meant the world to her. She took good care of them and they also took care of her. Everyone misses her so much.*
